

## **KING COUNTY VET ASSISTANCE FUND PROGRAM**

This fund is to help aid in paying for emergencies that your pet may be experiencing. It is only accessible under certain conditions which our staff is more than willing to explain to you in more detail.

The most important first step is to make sure your pet is licensed with King County. If you need to update or obtain a license you may go to the following website.

<https://kingcounty.gov/depts/regional-animal-services/license-your-pet/purchase-renew-license.aspx>

If the criteria for assistance from this fund are met, then you may take an application sheet to fill out and submit to Kent regional animal services by email at [raskc.shelter@kingcounty.gov](mailto:raskc.shelter@kingcounty.gov)

Or in person at

**21615 64th Ave S, Kent, WA 98032**

If this is an emergency and we are seeing your pet same day, you may call the number below to have your pet licensed over the phone and have the paperwork submitted here.

(Ask if your pet fits the criteria)

**(206) 296-7387**

***Please ask us if you have any questions!***
